SPECIAL THANKS

Hello and welcome to Untitled Theatre Production's SIXTH full production. We are so proud of this incredible cast and cannot wait for you to see their talent SHINE.

Since 2023, Untitled Theatre Productions has regularly showcased the talents of local performers, ages 6 to 20, and drawn nearly 5,000 audience members – proof there is strong interest and support for the arts here in Hampstead. UTP has taken off faster than any of us could have expected or dreamed of, and we couldn't do it without YOU.

Your support of UTP and of the arts in Pender County is making a difference in so many ways. Our goal as a 501c3 organization is to ensure that no child must pay to participate in our shows, and thanks to incredible donors like Mancini Orthodontics and Topsail Dental, our partnership with Pender County Parks and Recreation, as well as people who purchase tickets, concessions, and merchandise, we've been able to uphold that promise. And we aren't finished yet!!

Next season we are proud to bring you FOUR shows for the first time, a full season of incredible theatre right here in Hampstead. We continue to dream big— with the hopes that someday (soon) we can create our own community arts center in Pender County. Starting in 2026, we will be offering winter classes in addition to continuing our summer camps. The sky's the limit for the arts, and we are so excited to be along for the ride.

Thank you all for your continued support.
We are building this....TOGETHER!!

Enjoy the show!! - Emily and Steve
