SPECIAL THANKS

Hello and welcome to Untitled Theatre Production's SEVENTH full production. We are so proud of this incredible cast and cannot wait for you to see these kids do what they love.

Since 2023, Untitled Theatre Productions has regularly showcased the talents of local performers, ages 6 to 20, and drawn nearly 6,000 audience members – proof that there is strong interest and support for the arts here in Hampstead. UTP has taken off faster than any of us could have expected, or dreamed of, and we couldn't do it without YOU.

Your support of UTP and the arts in Pender County is making a difference in so many ways. Our goal as a 501(c)(3) organization is to ensure that no child must pay to participate in our shows. Thanks to incredible donors including Mancini Orthodontics, Blue Water Candy, and Lowes, our partnership with Pender County Parks and Recreation, as well as each of you in the audience, we've been able to continue to uphold that promise.

And we aren't finished yet!! Next season we are proud to bring you FOUR shows for the first time, a full season of incredible theatre right here in Hampstead. We continue to dream big— with the hopes that someday (soon) we can create our own community arts center in Pender County. In 2026, we will begin offering classes in the winter and will continue our summer camps. The sky's the limit for the arts, and we are so excited to be along for the ride.

Thank you all for your continued support. We are building this....TOGETHER!!

Enjoy the show!! - Emily and Steve
